BREAKWATER PROPOSED

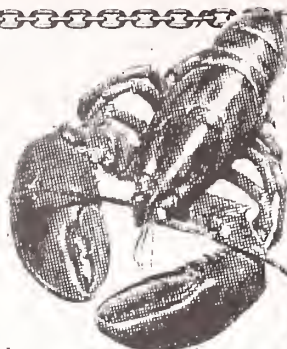

HARBOR PLANS REVEALED
PROJECTS PROPOSED WOULD
DEMAND GREAT EXPENDITURE

Col. Stefanik, deputy Division Engineer, and Mr. Raymond Boyd, Project Engineer of the New England Division of the Corps of Engineers, were present at a hearing on the Mattapoisett harbor projects proposed by a newly formed Harbor Development Committee. Col. Stefanik officiated as moderator of the hearing which was stenographically

COVER PHOTO - Mattapoisett harbor at Ned's Point. W. Koch photo. Proposed breakwater superimposed over photo to show general idea of Plan B.

recorded for review prior to a harbor study by the engineers. Representative Hastings Keith has arranged a \$5,000 grant for a preliminary study of the harbor. A more detailed \$50,000 3 year study would be required before a report could be drawn and a project plan presented to the Congress. Col. Stefanik explained these steps to

a thorough investigation has proved the project to have a value potential that will be greater than its cost. Then, the most vitally needed projects are put forward first for Congressional consideration. The Col. said that, in his judgement, the Mattapoisett harbor project would be purely of recreational benefit and that it probably would be a 50-50 cost sharing proposition.

Selectman David N. Haley outlined the two plans submitted by the Harbor Improvement Committee which was formed 3 weeks ago.

Two proposals, Plan A and Plan B, were prepared by a "Harbor Improvement" Committee comprised on an informal group of the following people: David F. Brownell, chairman; Frank Pimental, Enoch LeBaron Winslow, Manuel R. Nunes, Winfield Jenney, Gordon Larcom, Allan Vaitses, Arthur W. MacLean, David N. Haley and Augustine Silveira.

Plan A, as it was designated, proposes the digging of a channel from the harbor to Eel Pond and the dredging of 26 acres of marsh and pond. The estimated capacity of such a project would be 64 wharf and 500 mooring spaces. According to Mr. Haley, the dredged material would be for 1650 feet of new beach on the harbor shore of the railroad right of way now owned by the town.

underline the fact that action, if any is found justified, is years in the future. He said that projects are undertaken only after

In an analysis of this plan Col. Stefanik said that the Federal government would participate in dredging only the channel and one acre if the project need could be justified. He said that, if the area were dredged to a 6 foot depth, the cost would be estimated at \$30,000.00 per acre. The town would have to acquire the land, dredge the remaining 28 acres and build the pier facilities entirely on its own.

Plan B proposed an outer breakwater to run from Ned's Point lighthouse to Shell Beach. This breakwater was described as having an opening in the center and perhaps a gap along the shoreline to allow tidal flow.

In an analysis of Plan B, Col. Stefanik said that an approximate 30 foot high breakwater would be required. This structure would be 8 to 10 foot wide at the top and slope outward on both sides to a solid footing on the harbor floor. A breakwater of this type costs about \$3,000,000.00 per 1000 yards. The distance to be spanned

they can afford. He said that these things are nice to have but some one has to pay for them.

A representative of the Massachusetts Division of Waterways, Mr. Mason Carter, was present. He said that in 1969 no funds were appropriated. In 1970 \$1,500,000. was appropriated and that no funds are available this year. He indicated that the town should anticipate no State aid.

Spokesmen for the breakwater project made the following points: 1) Prevention of damage to boats during southeast storms; 2) Economic benefit to the boatyards and to other business in Mattapoisett by making the harbor a safe anchorage for large fleets of visiting yachts; 3) Protection to the Mattapoisett wharf; 4) Low cost of maintenance of such a barrier; 5) Monetary return from making the harbor attractive to wealthy yachtsmen who would tend to settle here for that reason.

Spokesmen for the Eel Pond dredging plan favored that plan with these points: 1) A breakwater, from Ned's Point to Shell Beach would be one mile from the wharf area and, therefore, would offer very little protection to the wharf because the sea would build up in that distance; 2) A break-

water would prevent tidal flow and cause a pollution problem such as has occurred in the Acushnet river; 3) Finger piers in the Eel pond project would bring rental to the town for economic benefit; 4) Dredging would create new beach facilities; 5) The town would benefit economically through increased business for the boatyards and increased traffic in pleasure boatmen who would visit the harbor.

People who oppose the breakwater plans raised these points: 1) The fear that the barrier would cause pollution in the harbor by stopping tidal flushing; 2) That it is too far from the wharf to offer protection there; 3) That it would be of no benefit to the beach areas where the major storm damage occurs; 4) The great cost of the barrier for which the town would have to pay half.

People who opposed the Eel Pond plan made the following points: 1) Ecological damage to a wildlife and marshland area; 2) Pollution of that area from oil and refuse

from the boats; 3) The cost to Mattapoisett, which would have to do most of the dredging and would have to do all of the maintenance dredging in the future; 4) The town would also have to purchase the surrounding land, build access, build finger piers and facilities; 5) Questionable value of the protection of this area since it was stated that an entire house was thrown over the embankment into the Eel Pond during the 1954 hurricane.

Anyone wishing to add to the statement to be considered in this hearing may do so by obtaining a background pamphlet at the Mattapoisett Town Hall which contains an outline for information desired by the Corps of Engineers to help them in a decision on these two proposals. Such statements may be mailed to: Mr. Frank P. Bane, Department of the Army, New England Division, 424 Trapelo Road, Waltham, Mass. 02154.

"Eleanor Ross Day"

CONGRATULATIONS AND BEST WISHES TO ELEANOR ROSS, NEW PRESIDENT OF THE MASSACHUSETTS STATE FEDERATION OF WOMEN'S CLUBS.

Mrs. Ross started as a member of the Mattapoisett Woman's Club some years ago, and through devotion to duty, and hard work, has attained the top position on one of the finest and largest women's organizations in the Commonwealth.

Our congratulations also go to her husband Marshall Ross, her daughter Patricia, her son John, and grandchildren William and Sarah.

This achievement reflects great honor on the Town of Mattapoisett where she has lived for many years. Such outstanding leadership deserves the recognition of every citizen of this Town.

Therefore, the Board of Selectmen of the Town of Mattapoisett join the Mattapoisett Woman's Club in proclaiming Sunday, May 23rd, "Eleanor Ross Day".

Memorial Day Y.C. Races

The annual Memorial Day Race for sailboats, co-sponsored by the Mattapoisett Yacht Club and the Mattapoisett Boatyard, will be held Saturday, May 29th. It is open to all yachts except those with planing hulls. The Mattapoisett Boatyard will provide the prizes.

There will be two divisions: one for Handicap craft and one for Corinthians.

Note: A Corinthian entered in the latter class is to be raced without spinnaker or genoa. However, should a Corinthian skipper wish to use either, he may enter his boat in the Handicap class.

Warning gun will be at 1:15, preparatory at 1:20, handicap start at 1:25 and Corinthian start at 1:30.

The entry blank appearing in the Presto Press is the official entry blank and should be filled out by May 26th and mailed to: John Malcolm, Brandt Beach, Mattapoisett.

The official entry blank for the Memorial Day Race is as follows:

Congregational Church

ANNUAL CHURCH MEETING TO BE HELD

On Sunday, May 23rd, the annual meeting of the Mattapoisett Congregational Church will be held at 11:30 A.M. in the parish hall, directly following the worship service. Included in the plans for that morning will be the issuing of a warrant for the holding of a precinct meeting so that By-Law changes affecting both Precinct and Church may be properly considered.

A sandwich buffet will be served by the Hospitality Committee, to be followed by the business meeting. Reservations may be made by calling the Church Office, 758-2671.

Pageant This Saturday

MISS WAREHAM PAGEANT

The Miss Wareham Scholarship Pageant, sponsored annually by the Wareham Area Chamber of Commerce, has selected one of the most vivacious young women to have held the title of Miss Wareham as their Mistress of Ceremonies for the pageant to be held this Saturday, May 22nd. Mrs. Donna Desjardins Fihlman, who reigned during 1968, will add her charm and grace as she hosts the nine contestants in the pageant. Donna has participated in many phases of competition as well as on committees and now an accepted judge in the local preliminary pageants. She has a sparkling personality which she also projects to her job as a service representative in the Brockton business office of the New England Telephone & Telegraph Company.

The official Miss America crown and trophies will be presented to the winners. They have been donated by the following

ing and rewarding evening for those who attend this event. The young ladies in the chorus are Susan Atwood, Melanie Blair, Nancy Gibson and Linda Perry.

Several area reigning queens will also be presented on stage in a special production number choreographed by the talented Mr. David A. Tassinari of Middleboro. These local winners will join Miss Wareham 1971 in Attleboro in July when she competes for the Miss Massachusetts title and the opportunity of representing the Bay State in Atlantic City at the Miss America Pageant in September.

The local contestants are fortunate to be able to participate in the original pageant and reap the many rewards through these programs.

One of these young women will be selected Miss Wareham 1971 on May 22nd, at 8:00 P.M.: Karen Ellen Douglas and Kay Fernandes of Wareham; Regina Zlogar of Bourne; Lora Lee Eiler of Hyannis; Mari Lynn Brad-dock, Diane Card, Carrie Ciolkowski, Patricia Browne and Donna Saywood, all of the Middleboro area.

Tickets are available from these contestants, chamber members and also that evening at the door.

Girls' Tennis Clinic

Starting with the first Saturday in June and continuing every Saturday through the month there will be a tennis clinic for all girls in town between the ages of 8 to 15, sponsored by the Mattapoisett Sports and Athletic Committee.

Mr. Frank Fletcher of the Sippican Club, Marion, will be the instructor in charge. All sessions will be held at the Center School courts. The classes will be broken into two groups - girls from 8 to 11 years of age will be instructed from 9 to 10:30 A.M.; the 12 to 15 year group will be instructed from 10:30 to 12 noon.

This will be a very good opportunity for these youngsters to learn the basics of tennis and pick up some of the fine points of the game.

If any town resident has any tennis equipment they have no further use for, i.e. balls, racquets, etc. and would like to contribute them for use in this program, please call Floyd Empey, 758-2380, after 6 P.M. and arrangements will be made to

LAND O LIGHT

GIFTS
CLAIRE BURKE-
POT POVRRI

LETTER TO THE EDITOR

The April 29th CONGRESSIONAL RECORD contains a reprint from the Omaha World-Herald explaining why the FBI were interested in the EARTH DAY meeting held in Washington about which Senator Muskie got so hot and bothered.

I wonder how many people realize that Rennie Davis (of the Chicago Conspiracy and arrested in Washington last week leading the so-called "Peace Coalition") spoke at that same rally where Senator Muskie gave a short antipollution speech.

Davis told the gathering that "the Conspiracy" (he was arrested in Chicago as a member of the Chicago conspiracy along with Abbie Hoffman) was joining with such forces as Willem's Lib, black militants, and environmentalists to fight to end the Vietnam war. He said he opposed all pollution except "light up a joint and get stoned"...adding "One way to fight for ecology is to go to New Haven and stop Bobby Seale's trial." (Seale is the Black Panther Leader being tried for murder.)

Quoting the editorial, "one of the organizers of this meeting was a man who has been publicly identified as a Communist party functionary" and "one of the speakers was a Navy man then being court martialled for seditious conduct." And the article adds "Pete Seegar, folksinger, who frequently supports leftist causes, also was on the program."

So you see Senator Muskie wasn't the one being subjected to (as he said) "FBI surveillance" - but some of those who put the program together.

It seems to me politicians will do or say anything now to get publicity - and picking either the FBI, J. Edgar Hoover, President Nixon or Vice President Agnew to pieces gets ANYONE good newspaper, TV, radio coverage these days. NO WONDER OUR YOUNG PEOPLE ARE MISLED AND MIXED UP!

Where are the silent majority who should be speaking up? We know they are the majority - but as most members of Congress with whom I communicate tell me "Why don't they express their views publicly and to us - the leftists do all the time."

FAIRHAVEN SAVINGS ECOLOGY OFFER

Mr. Richard H. Carpenter, president of the Fairhaven Institution for Savings, has announced that the bank is offering plastic litter bags for sale at very low cost, in the interests of a cleaner community. He stated that customers and non-customers alike are encouraged to come into the bank for supplies. There is no limit to the amounts that can be purchased.

Mr. Carpenter added that people will find dozens of indoor and outdoor uses for the sturdy, giant-size plastic bags in this ecology campaign the bank calls "Keep your community clean." Supplies are plentiful, but he urges people to act on the offer as soon as possible, as the bags are going fast.
